REQUEST FOR APPROVAL OF DRAWING CHANGES

Sir:

Please accept the following request for correction of drawings. The drawings, including Figs. 2 and 5, have been amended to show each and every feature of the invention specified in the claims. Specifically, the drawings, including Figs. 2 and 5, have been amended to correct reference numerals corresponding to elements disclosed in the specification. More specifically, the leader line corresponding to reference numeral 26 of Fig. 2 has been redrawn to terminate in the chamber and not the eccentric ring 20; the leader line corresponding to reference numeral 50 of Fig. 2 has been extended so as not to terminate on the inner ring of the eccentric ring 20; three profile lines have been added within the volume of the eccentric ring 20 of Fig. 2; and reference numeral 68 of Fig. 5 has been changed to reference numeral 86.

A corrected version of Figs. 2 and 5 are submitted herewith, with the correction denoted in red ink. The Applicants aver that no new matter has been introduced into the specification by virtue of this correction.

The Examiner is invited to telephone the applicant's undersigned attorney at (248) 364-4300 if any unresolved matters remain.

Any needed extension of time is hereby requested with the filing of this document.

The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 501612. A duplicate copy of this letter is enclosed herewith.

Respectfully submitted,

WARN, BURGESS & HOFFMANN, P.C.
